Lachnopsis; about 26 New Zealand species
Fig 2 and Fig 3
Erioscyphella; 11 New Zealand species
JF937585 'Lachnum' singerianum
Fig 4
Proliferodiscus; about 5 New Zealand species
Lachnaceae gen. nov. 2; 1 New Zealand species
Lachnaceae gen. nov. 1; 1 New Zealand species
Dasyscyphella 2 cf D. montana; 1 New Zealand species
OQ466385 Lachnaceae sp. on Weinamannia twig; from New Zealand
Fig 5
Lachnum and Asperopilum; about 10 New Zealand species
Fig 6
Albotricha; 1 New Zealand species
Perrotia; no New Zealand species with DNA sequences
Capitotricha; 1 New Zealand species
Lachnaceae sp. on Nothofagus wood; 1 New Zealand species
AJ430220 'Lachnum' rhytismatis
PDD 61822 Lachnaceae sp. on Carex; from New Zealand
Fig 7
Lachnellula; 2 New Zealand species
Velebitea; 1 New Zealand species
Brunnipila; no New Zealand species
Dasyscyphella 1, cf. D. nivea; 1 New Zealand species
AB481239 'Dasycyphella' longistipitata
Incrucipulum; no New Zealand species
Neodasyscypha; 1 New Zealand species
'Lachnum' willisii; 1 New Zealand species
Solenopeziaceae outgroup
